Insegnamenti II avviso di vacanza ScuDo
a.a. 2023/2024

1	Supervision and monitoring of renewable energy systems	ING-IND/31
2	Environmental data analysis	INF/01
3	Complex Networks: Big Data modelling and learning	FIS/07
4	Fundamentals of Lasers	ING-IND/14
5	Combustion Processes and Pollutant Emissions	ING-IND/08-09
6	High-energy particle physics detectors in space	FIS/01
7	Oscillations and waves	FIS/01
8	Spacecraft Structural Dynamics & Loads	ING-IND/04
9	Theories and methods in structural design: modeling and experimental issues	ICAR/08
10	Contextual Design and Heritage: identity and material culture of the territories	ICAR/13
11	The post-growth paradigm in planning research	ICAR/21
12	Advanced Topics in Port and Coastal Engineering	ICAR/02
