The amount of the ADISU fee to be paid will be detailed in the Enrolment Notice, an attachment of the Rector's procedure approval decree. All payments must be made using the PagoPA electronic payment system. Payments made this way will be automatically recognised by the Esse3 system.

In order to determine the total amount of Regional ADISU fees payable, Politecnico di Bari automatically acquires ISEE information from the National Social Insurance Agency (INPS) regarding subsidised benefits for higher education study. All declarations should be completed in full on the INPS website by 31 December of the calendar year of enrolment (e.g. for Academic Year 2025/26 the deadline date is 31 Dec 2025). Failure to provide declarations by the deadline date will result in the application of the full fee rate.

Therefore, it is strongly recommended that candidates apply **for ISEE certification as soon as possible to be able to qualify for these benefits.**

Up-to-date Doctorate research student financial contributions are a compulsory condition required in order to access Politecnico services and maintain PhD student status.
