## PROCEDURE FOR NON-EU PH.D. STUDENTS NEEDING A STUDY VISA TO ENTER ITALY

### BEFORE YOUR ARRIVAL

A **VISA** is a travel document granted by the Diplomatic Authority (**Embassy/Consulate**) of your home Country which allows you to enter, remain or leave a specific territory.

#### Step 1

**Study VISA applications** must be submitted online through **Universitaly platform**. In this phase you have to choose the University **"POLITECNICO DI BARI"** for your **pre-enrolment** request. [Link to Universitaly Platform](#).

#### Step 2

If you have been admitted to the Ph.D. programme for which you have applied and you have **completed the enrolment procedure**, Post-Lauream Office (Politecnico di Bari) will approve your submission on Universitaly platform and will attach, within your Universitaly request, the **admission letter**.

#### Step 3

**After the approval of your pre-enrolment request**, the Italian Diplomatic Authority (Embassy/Consulate) in your home Country will check, review and analyse your study **VISA request**. It might be possible that the Italian Diplomatic Authority will ask you for some additional documents in order to go through the request.

If the Embassy/Consulate accepts your request, it will issue an **entry VISA for study purposes**.

**IMPORTANT:** *Ph.D. courses start on November, 1st 2022. Please inform Post-Lauream Office and the Coordinator of your Ph.D. programme if you have any difficulties obtaining a visa or your date of arrival has been delayed.*
